

Covid-19 Policy

As a family run hotel, in keeping with our core values, our primary focus is the health and wellbeing of our guests and colleagues. We are highly committed to taking every action possible to prevent the spread of Covid-19. We have been hosting daily meetings to review the status of the virus and to discuss our policies and procedures.

The following actions are being taken at The Club House Hotel:

Regular review of the HSE and WHO guidelines. HSE guidelines and posters are displayed throughout the hotel. Guidelines have been circulated to all employees.

Daily meetings with senior management and staff and every department within the hotel, ensuring that protocol is being adhered to and to review any updates.

Hand Sanitiser units have been but in place throughout all public hotel areas including reception and dining areas.

All common touch points including door handles, stair banisters, chairs and are being cleaned, sprayed and disinfected multiple times each day.

Accommodation teams are doing a deep clean and full sanitisation of all guest rooms with extra time being assigned per room to allow for common touch areas to be disinfected, including phones, remote controls, handles and switches.

Whilst we hope that your travel arrangements will not be disrupted as a result of the Covid-19 virus, we are offering flexible cancellation terms and are happy to answer any cancellation or postponement queries you may have. For further information, please contact 0567721994 or email info@clubhousehotel.com

We are highly committed to preventing the spread of Covid-19 and are actively promoting the HSE guidelines regarding hygiene and preventative measures.

We ask that our guests and employees remain up to date on these guidelines:
